# AutoPayProtocol

*On-Chain, Non-Custodial, Subscriptions.*

**AutoPayProtocol.com**

01

### Zero Identity

No KYC, no accounts. A wallet address is all you need.

02

### Auto-Renewal

Relayer charges on schedule. No payment logic required.

03

### Spending Caps

On-chain caps limit total spend. Set a budget and walk away.

*Ready for human & agentic commerce*
